## Article XII

### SALARIES AND COMPENSATION

For the year July 1, 1981 to June 30, 1982, employees covered by this agreement shall be compensated as follows:

1. The salary program shall consist of approximately [10%] across the board increase applied to compensation schedule [L] reflected in Ruling 11 in effect July 1, 1980. Sixty [60%] of this increase shall be effective July 1, 1981 and the remaining [40%] shall become effective January 1, 1982. The employees' rate of pay shall be determined as follows:
  - a. Effective July 1, 1981 all employees shall have a salary adjustment on step on guide which will provide a [6%] salary increase over the compensation schedule [L] reflected in Ruling 11, in effect July 1, 1980. Such increase is reflected in Compensation Schedule I in effect July 1, 1981.
  - b. Effective January 1, 1982 all employees shall have a salary adjustment on step on guide which will provide a [10%] salary increase over the compensation schedule [L] reflected in Ruling 11 in effect July 1, 1980. Such increase is reflected in Compensation Schedule X in effect January 1, 1982.
2. All employees covered by this Agreement, effective July 1, 1981 shall receive a 5% salary differential prorated, during the period July 1, 1981 to December 31, 1981 and based exclusively on the minimum step of the appropriate salary range of Compensation Schedule [I], effective July 1, 1981. Said salary differential shall terminate on December 31, 1981.
3. Effective January 1, 1982 all employees covered by this agreement shall receive a 5% salary differential prorated, during the period January 1, 1982 to June 30, 1982 and based exclusively on the minimum step of the appropriate salary range of Compensation Schedule [X], effective January 1, 1982. Said salary differential shall terminate on June 30, 1982.
4. All employees covered by this Agreement who are hired or appointed to another classification during the life of this agreement, shall receive a salary differential, if applicable, as of the effective date of appointment. In the event that the employee is employed by the Mercer County Welfare Board at the time of the change in classification, then in that event, his prior salary differential will be terminated and the new salary differential will come into effect. Said salary differential will be paid in the manner set forth in items 2 and 3 of this article.
5. Employees who are not at the maximum of their appropriate salary range shall be entitled to a merit increment within their salary range on their anniversary date provided they have served at least satisfactorily in a position for one year.

6. For the year July 1, 1981 through June 30, 1982 employees covered by this agreement being paid on the basis of range 12 or below of Ruling 11 ~~Compensation Schedule 11/1/1980~~ shall receive, subject to approval of the Division of Public Welfare, a cash bonus of \$250.00 providing such employees have at least one year of continuous service as of December 31, 1981 and are in the employ of the Mercer County Welfare Board as of December 31, 1981.

7. Longevity and salary differential payments shall not be considered in arriving at the on-step on-guide adjustments. These payments shall be in addition to base salaries.

8a. All employees covered by this agreement, promoted or reclassified to another title which carries a higher salary range, shall have their salary adjusted so that it provides an increase in pay of one increment of the present salary range plus the amount, if necessary, to adjust and equalize the employee's salary to the proper step of the new salary range.

8b. Employees, being paid a special salary adjustment, upon promotion or reclassification to another title which carries a higher salary range, shall have that special salary adjustment discontinued upon promotion or reclassification to a higher paying title.

9. In those situations in which an employee's salary adjustment is not equal to at least two increments in their old range they shall retain their current anniversary date. However, if an employee's salary adjustment equals two or more increments in their old range, they shall be assigned a new anniversary date based on the effective date of such salary increase in the same manner as indicated below for new employees hired. Employees placed on a new quarterly anniversary date must serve in position for one year to be entitled to an earned merit increment on their anniversary date.

10. Determining Anniversary Dates:

a. Employees hired at the Welfare Board from October 2 to January 1 shall have a January 1 anniversary date of the second year following the date of appointment. For those employees hired on January 1 or January 2, the anniversary date of January 1 will be the following year.

b. Employees hired from January 3 through April 1 shall have an April 1 anniversary date of the following year.

c. Employees hired from April 2 through July 1 shall have a July 1 anniversary date of the following year.

d. Employees hired from July 2 through October 1 shall have an October 1 anniversary date of the following year.

11. For the year July 1, 1981 through June 30, 1982, the Employer agrees to pay a uniform maintenance allowance in the sum of \$175.00 per year to the Mercer County Welfare Board Home Service Aides and Mercer County Welfare Board Senior Home Service Aides.
